Lomi-Lomi Hawaiian Massage

Lomi-Lomi is an ancient Hawaiian healing art that was practised within families, by master shamans and elders (kupana).

The purpose of this massage was always to heal, align and balance all aspects of self and is given and received in the gentle and powerful spirit of Aloha.

Lomi-Lomi is characterised by its flow, use of forearms in a rhythmic 'dance' all around the body, connecting with the breath and using the principles of Hawaiian esoteric knowledge (Huna) to bring about profound healing of body, mind and spirit.
